**Parent Comments from Survey in answer to question: "You are at a party. Please write a sentence or two you would use to describe Annette's Preschool to other parents at that party?"**

*"Annette's is a place where all children are lovingly cared for and nurtured as they become confident and capable learners!"*

*"WE love Annette's, the programs they offer and our child loves all of it."*

*"Annette's has been great for my child's development. The teachers are very accessible and knowledgeable."*

*"Fantastic teachers who support and encourage the development of my child. Great classrooms and great structure to the programs."*

*"I love it. It is one of the better preschools around."*

*"The teachers are great and clearly love our child and care about his development."*

*"We love the teachers and they really are great at working with kids to foster their interest in learning. The kids do amazing stuff in classes."*

*"My child enjoys going to Annette's and has lots of friends."*

*"Nice outdoor play area. Trying to be Eco focused and practice sustainability"*

*"Great place to send your child "*

*"It is evident in our interactions that our child is truly a member of the Annette's family and the teachers view their work with children as more than just a job."*

*"We are really happy with it and our child really loves it. We love the emergent curriculum model"*

*"Amazing facility with an All-Star staff of teachers"*

*"I really love the emergent curriculum. It fosters creativity and encourages discovery. The teachers really care about the children's happiness and well-being."*

**Parent Comments from Survey in answer to question: "You are at a party. Please write a sentence or two you would use to describe Annette's Preschool to other parents at that party?"**

*"Appreciate the philosophies and goals for Annettes "*

*"Our child really likes it there and seems to like the teachers and classmates. Andrea is great about working with families to accommodate their needs"*

*"I like many of the teachers a lot. Take advantage of the Petite Programs."*

*"Friendly welcoming community. Teachers are well educated in child development "*

*"The emergent curriculum lets kids control their own path and develops their learning around a subject they are passionate about."*

*"It is like a real school rather than a daycare. The staff are professional teachers who design a well-researched curriculum for my preschooler to help his development and prepare him for his future schooling and for life generally."*

*"E... 's teachers are amazing. They are knowledgable, caring and hard-working. The classroom provides a rich environment for growth on many levels."*

*"Safe, caring environment with knowledgeable teachers and staff. "*

*"The teachers are great and most are very passionate about their jobs. The grounds are beautiful..."*

*"Staff is friendly and very engaging with the children and very helpful "*
